

LEGALWORKS

Providing Low-Cost Legal Services

LegalWorks, Inc., a Cleveland-based non-profit, provides free/low-cost legal services that enable people to extract themselves from some of the "law-related" confinements that hold them down. We assist in the sealing of criminal records, removal of arrest warrants, obtaining driving privileges, preparation of simple wills and assistance with some probate matters. We have weekly office hours and can be available to meet at other times if the client's schedule does not comport with ours.
